EDITORIAL

Dear Alumni,

With immense pleasure, I would like to introduce the Alumni News letter 2025, that share the updates, and celebrate the achievements of our esteemed alumni community. Every year Alumni meet recalls the cherishing moments that reflect on the rich history and heritage of our beloved mother institution.

Over the years, our college has maintained its commitment in providing high-quality education and training to the students. A team of esteemed faculty and staff have worked tirelessly to ensure the best possible education and preparing them for successful careers in nursing.

With the vision to provide quality nursing education, Government College of Nursing, Thiruvananthapuram has grown into a renowned centre of excellence, producing famous alumni who have made significant contributions to nursing and other fields. Many of them have secured advanced degrees, working in leading hospitals at national and international level with loyalty and commitment to excellence, and are passionate in rendering quality patient care. It is our privilege to share their accomplishments. This year also our alumni newsletter highlights the major events and admirable achievements.

We are awaiting to hear further success and honour in future, that celebrate our alma-mater

Thank you all for the sincere support

SHIJA K

MESSAGE FROM PATRON

Dear Esteemed Alumni,

It is with immense pride and joy that I extend my heartfelt greetings to you all through this edition of the Alumni Newsletter 2025. As we step into another promising year, it is a moment of great honour to celebrate the remarkable achievements of our beloved institution.

I am delighted to share that the Government College of Nursing, Thiruvananthapuram, has secured the First Rank in the KIRF Ranking 2024. This prestigious recognition is a documentation of the unwavering dedication of our faculty, the relentless pursuit of excellence by our students, and the enduring support of our esteemed alumni. Each milestone we achieve is a reflection of the collective efforts of our academic community and the strong foundation laid by our predecessors.

Our institution has consistently been at the forefront of nursing education, research, and service, producing competent and compassionate healthcare professionals who make a meaningful impact globally. As we continue this journey, I urge our alumni to remain connected, contribute to our shared legacy, and inspire future generations with their experiences and achievements.

May this year bring new opportunities for learning, innovation, and growth. Together, let us strive to uphold the values of our institution and reach greater heights.

Wishing you all success and fulfillment in your endeavours.

With warm regards,

Prof. Dr. SREEDEVI AMMA C
Principal,
Govt. College of Nursing
Thiruvananthapuram

Alumni Association Government College of Nursing, Thiruvananthapuram Annual Alumni Report 2024–2025

Prepared by : Dr. Aswathy. K.L, Secretary

Dear Esteemed Alumni,

With immense pride and gratitude, we present the Annual Alumni Report for 2024–2025. This year has been marked by significant progress, heartfelt contributions, and a deepening of our collective commitment to our alma mater. Your unwavering support continues to inspire excellence and innovation within the college community.

The Alumni Association of Government College of Nursing was established in May 1992. Since its inception, it has served as a bridge connecting past graduates with the institution, fostering collaboration, mentorship, and support. Today, the association proudly boasts 3,234 registered members—accomplished professionals serving across the globe and upholding the values and reputation of their alma mater.

Office Bearers

Patron	: Prof. Dr. Sreedevi Amma C , Principal, GCNT
President	: Mrs. Prathibha Rani S.K , Associate Professor, GCNT
Vice President	: Mrs. Sindhu Devi.L.K , Principal, BNV school of Nursing, TVPM

Major Initiatives of 2024–2025

SMART CLASSROOM INNOVATION

The association initiated the renovation of a traditional classroom into a smart classroom, enhancing the learning environment for current students.

- A 75-inch Interactive Display Panel was purchased and installed with the financial support of alumni members.
 - Vinyl window blinds were put in all windows of the classroom
- The smart classroom aims to facilitate interactive teaching–learning methods.

INDUCTION PROGRAM SPONSORSHIP

The induction training program for the 48th batch of B.Sc Nursing students was successfully conducted with full sponsorship from the Alumni Association. This program played a vital role in helping the new batch in their transition into their professional nursing education.

ALUMNI CONTRIBUTIONS

- The 22nd batch of B.Sc Nursing and the 42nd batch of GNM generously donated funds to the Alumni Association, contributing to the collective development initiatives.
- We thank these batches for setting a benchmark in alumni engagement and contribution.

membership and reach

Total Registered Members: **3,234**

New Enrollments in 2024–2025: More than 200 members joined the association last year, reflecting growing alumni engagement and interest.

Global Presence: Our alumni are currently working in numerous countries across the globe, contributing significantly in diverse sectors such as healthcare, research, administration, and education.

We extend heartfelt thanks to all our alumni who contributed their time, resources, and expertise to make 2024–25 a remarkable year. Your generosity and sense of belonging continue to uplift and inspire the institution and its students.

BSC NURSING 24th BATCH – 25 YEARS OF GRADUATION

From classmates to corner stones: Marking 25 years of our Legacy

On this momentous occasion of our 25th graduation anniversary, we 24th batch of B.Sc Nursing students extend our deepest gratitude and heartfelt appreciation to our esteemed teachers. Your unwavering dedication, insightful guidance, and tireless efforts laid the cornerstone for our successful careers. You instilled in us not only the essential knowledge and skills of nursing but also the values of compassion, empathy, and professionalism that have guided us throughout our journey. We remember with fondness your inspiring lectures, practical demonstrations, and the personal support you provided during our formative years. Your belief in our potential empowered us to strive for excellence and to make meaningful contributions to healthcare, both in India and across the globe. We are immensely proud of the individuals we have become, and we attribute a significant part of our success to the solid foundation you provided. Thank you for being our mentors, our guides, and our inspiration. We are forever indebted to your profound impact on our lives and careers.

It's truly inspiring to see how our 24th batch has flourished in the past 25 years, occupying pivotal roles across the healthcare spectrum. Many of us have transitioned into nurse administrators, steering the direction of nursing departments and healthcare facilities, both in India and internationally. In these leadership positions, we are instrumental in shaping policies, managing resources, and fostering environments that promote excellence in patient care and staff development.

A significant number have dedicated their careers to nurturing the next generation of nurses as nurse educators. From classroom instruction to clinical mentorship, our batch is imparting their wealth of knowledge and experience, ensuring a strong and capable nursing workforce for the future.

For those driven by inquiry and the advancement of nursing science, many have pursued roles as nurse researchers. They are at the forefront of evidence-based practice, conducting studies that contribute to improved patient outcomes and the evolution of nursing interventions.

Furthermore, a considerable portion of our cohort has advanced their clinical expertise to become Nurse Practitioners, APRNs, etc. This encompasses various specialized roles such as providing comprehensive healthcare services including diagnosis, treatment, and prescription.

Impressively, we are now deeply involved in advancing telemedicine and artificial intelligence in nursing, positioning ourselves at the forefront of the future of medicine. The diverse paths we have taken underscore the versatility and enduring impact of nursing education from Govt. College of Nursing Thiruvananthapuram, and we celebrate the collective achievements that have positioned so many of us as leaders and innovators in healthcare globally.

As we celebrate this milestone, we also pause with deep sorrow and profound respect to honor the memory of our dear teachers, Dr Sr. Mary Lucita, Smt. Prasanna S. and Prof P T Marykutty, who are no longer with us. We fondly remember their dedication and the lasting impact they had on shaping our lives and careers. Also our hearts turn to the cherished memory of our dear friend, Sajana, who left us too soon during our fourth year. We hold her close in our thoughts and extend our deepest regards to her family on this occasion.

In the following pages, we proudly present a brief description of each of our 42 remarkable batch mates.

Anitha Joseph
